

4123-17-58
APPENDIX A

(1) If the benefit for an employer implementing a DFSP is offered in the form of a discount, the discount shall be as follows:

- (a) For an employer implementing a basic DFSP, four per cent;
- (b) For an employer implementing an advanced DFSP, seven per cent;
- (c) For an employer implementing an advanced DFSP and in group-experience rating, three per cent;
- (d) For an employer implementing a comparable program, no discount.

(2) The application of any discount shall become effective when premium payments are made for the period that begins July first of the program year for participating private employers and January first of the of the program year for participating public employers and private employers.
