

## **4123-6-02.2 Provider access to the HPP - provider credentialing criteria.**

(A) The bureau shall establish minimum credentialing criteria for providers to qualify for participation in the HPP. Providers must meet all licensing, certification, or accreditation requirements necessary to provide services in Ohio. A provider licensed, certified or accredited pursuant to the equivalent law of another state shall qualify as a provider under this rule in that state.

(B) The minimum credentials for a provider, where applicable based upon the type of provider, are as follows. The provider shall:

(1) Be currently licensed to practice, as applicable, without disciplinary restrictions that affect the provider's ability to treat patients, that compromise patient care, or that are related to chemical dependency or substance abuse.

(2) Meet other general certification requirements for the specific provider type, as provided in paragraph (C) of this rule.

(3) Possess a current and unrestricted drug enforcement agency registration, unless it is not required by the provider's discipline and scope of practice.

(4) Be currently eligible for participation in medicare, medicaid or the Ohio workers' compensation system.

(5) Not have a history of a felony conviction in any jurisdiction, a conviction under a federal controlled substance act, a conviction for an act involving dishonesty, fraud, or misrepresentation, a conviction for a misdemeanor committed in the course of practice, or court supervised intervention or treatment in lieu of conviction pursuant to section 2951.041 of the Revised Code or the equivalent law of another state.

(6) Provide proof of and maintain adequate, current professional malpractice and liability insurance. The bureau shall establish the appropriate amount of such insurance coverage for each provider type. In establishing the appropriate amount of insurance coverage for out of state providers, the bureau may consider the regulations or the community standards of the provider's state of practice.

(7) Provide documentation of the provider's malpractice history for the previous five years.

(8) Not have any outstanding provider overpayment or other indebtedness to the bureau which has been certified to the attorney general for collection.

(9) Provide proof of and maintain workers' compensation coverage to the extent required under Ohio law or the equivalent law of another state, as applicable.

(10) Not have been excluded or removed from participation in other health plans for cause, or have lost hospital privileges for cause.

(C) The following minimum credentials apply to the providers listed below as provided in this rule.

(1) Ambulance, ambulette, or air ambulance, service: license from Ohio medical transportation board if private; medicare participation if government/public.
