

4123-6-03.4 MCO participation in the HPP-MCO certification.

(A) Upon review by and satisfactory to the bureau that the managed care organization has met bureau certification standards, the bureau shall certify an MCO as eligible to participate in the HPP.

(B) MCO certification by the bureau in the HPP shall be for a period of two years. Upon approval by the bureau, an MCO may expand its coverage area after the first year of participation in the HPP and every year thereafter.

(C) The bureau may certify any number of MCOs for each county or statewide.

(D) The bureau shall maintain a current list of all bureau certified MCOs. The list shall include the name and address of each MCO and the counties in which the MCO is certified for participation in the HPP.

(E) A managed care organization not certified may cure any defects in the MCO application for certification within thirty days of notice by the bureau of such defect in its application.

(F) An MCO that wishes to continue in the HPP beyond the first two years of certification may be recertified by the bureau.

Effective Date: 1/1/99
